

Serve God In California

What will I be doing?

- 3 students will work with our A+ Before and After School program (K-6th) and 4 students will work with our A+ Preschool program (3-5 year olds). Between these two programs we have 90-100 children a day.
- In both programs, the student will lead Bible stories, learning activities, crafts, educational centers, and games.
- You must love children and be a teachable, team player!
- We need leaders who possess good character. We have high standards because we believe God deserves our very best!
- We are looking for outgoing, energetic, hard-working, and organized people.
- You will be required to participate in daily cleaning and snow shoveling in the winter. This is a ministry so you do whatever needs to be done. You must not be afraid of long hours and hard work!

What's in it for you?

- Each month you will receive a \$300 stipend. In addition, you will receive airfare, housing, a \$5,000 health insurance policy, food, and local transportation.
- You will be investing yourself into the lives of the children and families of this community.
- You will give yourself away for the high glory of God and grow in your relationship with Christ.
- You will learn about yourself and your giftedness, communication skills, dealing with other personality types, conflict resolution skills, life skills, organizational skills, and ministry skills. Christ will meet you in this place as you come and serve among us. 95% of students who have served with us say that Tahoe was a life changing experience for them.
- The church, the community, and the staff will invest their hearts and lives in you.
- We are very relationship oriented and will love and mentor you. We seek to train you to be the leaders of the future. God gives you to us for a moment in time and we seek to make those moments count!
- A wonderful experience to add to your resume!

Qualifications Preferred:

Most four year degrees and some two year degrees will qualify to work with our K-6 program. For our preschool positions, each student will need to have 12 semester hours of early childhood education classes. These classes can be in the areas of: child development, child, family, and community, and curriculum. Early childhood majors, family study majors, and human growth and development majors qualify for the preschool. There are other education classes that count, so call us if you think you are close to these needed classes.

Additional Ministries

- **Ski ministry** will be another area of ministry. (Spring Semester only) Students would lead worship services on the ski slopes on Sunday afternoons. You do not need to already know how to ski to do this ministry. We will teach you to ski, how to lead a service, and we will provide the necessary clothing and equipment.
- **My Morning Out** is a ministry to preschool children held on Tuesday mornings from 9:00-noon.
- **Parents' Night Out** is a once a month ministry for children ages birth through 12. This ministry is held the first Friday night of each month from 6:00-10:00 p.m. Students lead Bible stories, games, crafts, etc.
- **Ministries at the schools-** On Wednesday mornings, students volunteer in a local school classroom.

I'M INTERESTED! WHAT ARE THE NEXT STEPS?

Contact Debbie Wohler and give her the following information:

- Your name, e-mail address, phone number, major in college, and some good times and days to contact you.

She will contact you and will talk more about the position, who you are, and who we are. You will both pray and seek God's leadership on a decision.

There are six positions available for Southern Baptist students and one position for a non-Baptist student each semester.

Thank you for your time and consideration. If you feel God leading you to find out more about this position please contact me in one of the following ways.
